Dear Ms Saunders,

Further to my letter of 11 May 2015 I may inform you that the Commission services have contacted the United Kingdom, via the EU-Pilot system, as regards your complaint on the UK VAT legislation applicable to sporting activities. The EU-Pilot system allows the Commission services to raise issues with the Member States which relate to enquiries and complaints from citizens and businesses concerning the correct application of EU law.

This implies that your original complaint DE/2015/CHAP636 is closed and replaced by EU-Pilot file EU/2015/8009. You are invited to refer to this number in any future correspondence about your complaint.

The United Kingdom should respond to the enquiry within 10 weeks. We will keep you informed of any further developments when we have received the UK authorities' response and have had the opportunity to review it.

Yours sincerely,

Micole Wieme
Head of Unit
