

Appendix 1

Affiliated clubs and members in the UK – Ireland as Northern Ireland plus the Republic

The figures have been extrapolated from figures provided by the European Golf Association, in Switzerland, for the purposes of this report. The figures show the number of courses in each country and the club members of affiliated clubs.

Figures of affiliated clubs and members in the UK – Ireland as Northern Ireland and Republic								
The figures have been extrapolated from figures provided by the European Golf Association								
Year	England		All Ireland		Scotland		Wales	
	Courses	Players	Courses	Players	Courses	Players	Courses	Players
1985	1,300	595,000	257	125,000	444	183,000	115	37,015
1986	1,300	595,000	259	93,700	481	283,000	117	37,747
